Accordia

Term Products

Premier:	No tobacco for 60 months
Preferred:	No tobacco for 36 months
Standard Plus:	No tobacco for 12 months
Standard:	No tobacco for 12 months

Permanent Products

Preferred Plus/Premier:	No tobacco for 36 months
Preferred:	No tobacco for 12 months
Standard:	No tobacco for 12 months

1. No more than 4 cigars per month may be smoked.
2. Occasional cigar use must be admitted on the application, including the number and frequency of such use. The LA-23A supplemental questionnaire must be included with term applications upon initial underwriting evaluation.
3. There must be no conflicting nicotine or tobacco use information found on the application, APS, examination, MIB, or inspection.
4. Applicant's urine must test negative for the presence of nicotine.
5. Absolutely no use of other tobacco or nicotine products within the past year. This includes, but is not limited to, cigarettes, pipes, chewing tobacco, snuff, or any nicotine substitutes.
6. Applicant must otherwise qualify for preferred plus, preferred, or standard non-tobacco rates.

*Electronic Cigarettes – Non-nicotine solutions may be a nonsmoker consideration. Nicotine solutions are considered smoker rates.

**The company reserves the right to decline this offer if, in the sole discretion of the underwriter, the occasional cigar use would pose additional mortality risk due to other health conditions of the proposed insured.

AIG

Preferred Plus Non-Tobacco:	No tobacco for 5 years
Preferred Non-Tobacco:	No tobacco for 3 years
Standard Plus:	No tobacco for 1 year
Standard Non-Tobacco:	No tobacco for 1 year

An occasional cigar smoker may qualify for non-tobacco rates. These rates are subject to the following guidelines:

1. Use must be admitted at the time of the application or inquiry and all case data must coincide with the admitted degree of usage.
2. No more than 1 cigar per week may be smoked.
3. No nicotine metabolites may be present in the urinalysis or any other carriers' urinalysis in the last 12 months.
4. No use of tobacco products, other than occasional cigars, for at least 5 years prior to the time of application or inquiry.
5. If APS is necessary, info in the records should validate the degree of smoking reported by the applicant.

**Electronic Cigarettes – smoker rates

If these guidelines are met, the cigar use will be considered a non-factor in the risk evaluation process. This will allow individuals to receive the best rating class if all other criteria are met.

For Protection Advantage VUL and Income Advantage VUL only: Preferred and Standard cigarette smokers can receive Standard non-smoker rates for the first three policy years. If smoker shows evidence of having quit smoking for 12 months, rates will be changed to standard non-smoker permanently.

American National

Preferred Plus Non-Tobacco:	No tobacco for 5 years
Preferred Non-Tobacco:	No tobacco for 3 years
Standard Plus:	No tobacco for 2 years
Standard Non-Tobacco:	No tobacco for 1 year

An occasional cigar smoker/smokeless tobacco user may qualify for non-tobacco rates. These rates are subject to the following:

1. No more than twice per month
2. HOS must be negative
